

ACCOUNTING
& TAX PROFESSIONAL CORPORATION

COVID 19 AWARENESS

We are all aware of the heightened concerns regarding the COVID-19 virus flowing through our country. At this time, Canada Revenue Agency has extended our filing deadline to June 1 and a tax payment due date of September 1 which means that we now have lots of time to file your taxes.

The Federal Government has announced this morning that there is some relief for persons and small business owners who are out of work or have to shut down at this time. Please contact me if you would like more information on some of these relief packages available.

BV Accounting & Tax Professional Corporation values your health and we want to ensure we are doing everything possible to protect our staff as well as you as you come in to drop off and pick up your information. During your visit to our office, we will be taking suitable precautions to ensure social distance is maintained. Now that they have given us an extension, we ask that you ensure that you or your immediate family members do not have any of the symptoms that are associated with the COVID-19 when you come to visit us.

We are still delaying our visits to the Senior Residence until the 30th of March. At that time, we will decide as to whether we will postpone that so that we will be able to provide them with a visit at the same time.

We are still providing is an electronic option to submit your financial information. We are able to pick up your income and investment tax slips from our access to the CRA portal however medical, donations and other receipts are not available through this means. If you would feel more comfortable with the ability to submit and receive your information electronically at this time, please contact us and we will set you up with a means to do that.

Please stay healthy

Bonnie & Sherri
